Collecting, processing and passing on personal details

Your personal details will only be collected if you provide them to us voluntarily, for example via e-mail. We will not pass on your details unless you explicitly ask us to.

Consent and limitation of use to specified purposes

When you enter personal or business details (e-mail addresses, names, addresses), you are disclosing your details on an explicitly voluntary basis. In entering your details, you are declaring your willingness for the data you enter to be collected, processed or used for contact purposes, for contract implementation, to safeguard our own justified business interests or for the purpose indicated to you. We will not collect, process or use such data for any other purpose. You may revoke your consent at any time with future effect.

Possible system configurations

Internet Explorer from release 7.x (release 6 limited use possible), Firefox from release 2.x
Safari from release 3.1x, Opera from release 9.1x

Flash player from release 9.x, Java script activated

Web based offline application independent of operating system used.
