Monosyn® Quick

The short-term absorption profile
monofilament suture of B. Braun

...for a quick and comfortable
recovery

Monosyn® Quick provides:

- Superior handling and flexibility to work in deep areas
- Short absorption profile for a fast recovery
- Knot security comparable to a braided suture
- No capillarity to avoid infections

Monosyn® Quick, Surgeon's quick choice ...

Main indications:

- Middle or perineal episiotomies
- Soft tissues skin closure
