

# Product Center Test Document

KeyWords: Marketing Tool Box, Corporate Communication, Customer Journey, Digital Communication

The screenshot displays a web interface for a product center. At the top, a grey header bar contains the text "PRODUCT CENTER" in green. Below this, the page is divided into several sections:

- Left Navigation:** A vertical menu under "Marketing Force Basic Care" includes categories like "Pirámides", "Productos", "Medical", "Equipos de Infusión", "Accesorios Infusión", "Punción Venosa Periférica", "Cateteres Periféricos", "Palomillas", "Lancetas", and "Accesorios".
- Product Title:** "Introcan Safety® (PRIDOO)" is prominently displayed in green.
- Product Description:** Below the title, the text "Catéter intravenoso periférico con..." is visible.
- Size Selection:** A row of buttons labeled "XL", "L", "M", and "S" is present.
- Language Selection:** A dropdown menu shows "LM" and "Spanish", with a list of country codes and flags (US, TW, TH, SK, 01, 03, 04, AR, AT, AU, BE, BG, BR, BW, CH, CN, CO, CZ, DE, FR, GB, HK) open.
- Buttons:** A purple "atrás" button is located above the size selection, and a "Nuevo documento" button with a pencil icon is in the top right.
- Right Sidebar:** Contains "Mis favoritos" (Products: 16, Articles: 8, Documents: 2) and "Documentos (97)" with a document icon.
- Footer:** A green button labeled "Información del Producto" is visible.
